RE: MUR 4378

Dear Mr. Meloy:

This letter acknowledges receipt on May 31, 1996, of your complaint alleging possible violations of the Federal Election Campaign Act of 1971, as amended ("the Act"). The respondent(s) will be notified of this complaint within five days.

Your letter seeks injunctive relief to prevent the respondents from continuing to engage in the allegedly improper activity. 2 U.S.C. § 437g(a)(6) provides that the Commission may seek such relief at the end of the administrative enforcement process. Accordingly, the Commission will not grant your request for injunctive relief at this time.

You will be notified as soon as the Federal Election Commission takes final action on your complaint. Should you receive any additional information in this matter, please forward it to the Office of the General Counsel. Such information must be sworn to in the same manner as the original complaint. We have numbered this matter MUR 4378. Please refer to this number in all future communications. For your information, we have attached a brief description of the Commission's procedures for handling complaints.

Sincerely,

A handwritten signature in black ink, appearing to read "Colleen T. Sealander", is written over the word "Sincerely,".
